SCM bearings are a popular and economical option for many conveyor applications. Our rugged PPI SCM bearing features a nitrile contact seal that has proven to be effective in the contaminated environments that are common in our industry. Their ease of installation and universal SCM interchange make them a great replacement option.

**FEATURES AND BENEFITS**

- Rugged one piece cast-iron housing
- Medium duty ball bearing
- Effective contact seals
- Wide inner ring for improved load distribution
- Mounting set screws are located 120° apart for minimum inner ring distortion
- Recessed housing base to accommodate uneven mounting surfaces
- Two bolt base standard
- Ideal for conveyor applications
- Stocked at service centers across the USA for quick delivery
