

The patented PPI Boot Herringbone Wing[®] pulley combines improved wear, quieter operation and gentle grain handling, along with a sensor ring.

PRODUCT FEATURES

- Angled wings direct grain to the outside edges of the pulley more efficiently
- Increased number of wings gives more support to thin grain belting
- 3/8" wings standard
- One inch AR contact bar extends wear life
- Round sensor rings provide ample target for electronic sensors

Note: Install with herringbone in direction of belt travel
