MEET OUR INSIDE SALES TEAM:

SANDY TYRREL

Hi! My name is Sandy Tyrrel. I'm the assistant inside sales manager. I assist with questions, training, and workload balance. I work with our inside sales manager to insure territories are at levels best for our team and the customers, training, and business decisions that impact the department. I love being on the inside sales team! We have a lot of fun with our team and buy them food to help relieve the daily stress. My work ethic is to get the job done. Whether it is part of my job duties or not I am here to make sure that the customer is taken care of.

GET TO KNOW SANDY:

I enjoy taking ranger rides with my husband and our dog Louie, junking for the next treasure, and reading. The best vacation is out west- Wyoming and Colorado. I love the mountains and how relaxing it is! I would not live anywhere else than where I do. We live on a family farm with a river bottom view!

Hi! My name is Eric Arnold. I have worked at PPI for 26 years within engineering, estimating, and inside sales. My daily duties consist of communicating with customers and understanding their needs to identify sale opportunities. I also prepare quotes and the processing of orders. I would describe my work ethic as work hard, play hard. We find ways to smile and help each other as a team. I like to try to keep morale high for myself and others.

GET TO KNOW ERIC:

The best vacation I have been on would be Kauai, Hawaii. It is beautiful and I recommend renting a convertible. The best advice I have received would be, "Getting angry doesn't solve anything." If I was a brand my motto would be, "Everything's Gonna Be Alright."

ERIC ARNOLD
