MEET OUR INSIDE SALES TEAM:

MADI ALGER

Hi! My name is Madi Alger! My daily duties consist of processing orders, sending quotes, and answering the phone. I enjoy reading, shopping, spending time with my friends, family, my boyfriend and dogs. A fun fact about me is that I am always searching for the next best smooth writing pen. Our groups environment in one word would be interesting. The atmosphere is always joking around, trying to have fun and getting work done.

GET TO KNOW MADI:

If I could choose a superpower, I would choose invisibility because I think it would be fun to sneak up on my friends or be a fly on the wall. The best vacations are ones that I am able to be adventurous. If I could live anywhere, I would choose the mountains because I always love visiting and seeing the view.

Hi! My name is Jessica Hook. My daily responsibilities consist of assisting customers with their requests for quotes and orders in a timely manner and answering the phone. I enjoy spending time with my girls, working out, being outside, fishing, and coaching soccer. Most of my interactions are rewarding with customers. From the start of the interaction to the end I want them to feel like they are the only customer that matters. "Show value, create an experience and always strive to exceed customers expectations!"

GET TO KNOW JESSICA:

The best vacation I have been on would be when I was 5 my parents and younger siblings went to Wyoming where we watched Old Faithful in the snow. If I could live anywhere I would move to the south in a heartbeat! I love the atmosphere and the people are great and the FOOD is so good!
